### Conditions and Policy:

Person(s) desiring to use Village water for construction or landscaping purposes shall complete application. Upon permission being granted and a deposit of \$500.00 for a 5/8" or 3/4" meter and/or a \$2,000.00 fee for a 2" meter, said fee being used to pay for water used and the use of the meter, a meter will be issued by the Department of Public Works. There will be a flat renewal charge of \$10.00 after each 90 day period for the use of the hydrant meter. There is a \$40.00 administrative fee that will be charged for all meter rentals. All water used is charged at the current water rate per 1,000 gallons or fraction thereof. All meters, valves, hoses or other accessories received shall remain the property of the Village of Lombard and must be returned in acceptable condition, as determined by the Village. It shall be the responsibility of the authorized person as indicated below to reimburse the Village of Lombard for any damages to the meter, valves, hoses or other accessories that may result from misuse or neglect. In the event any returned equipment is not returned or is returned damaged, the deposit will be forfeited and any additional cost to replace and/or repair the rented equipment over and above the deposit amount will be borne by the applicant based upon current replacement/repair costs for the missing damaged item(s).

Initials : \_\_\_\_\_

No water shall be taken from any Village hydrant without the above conditions being satisfied.

I have read and agree to the conditions and acknowledge responsibility to pay for any charges over and above the deposit fee.
